

Learnings and Next Steps

Use the table below to capture the results of the Participation Compass as well as any insights that came up during your conversations. Consider what actions you need to take in order to move forward with the participation approach that you identified. Take note of your decisions and develop a list of action items as a team.

Prioritization of Benefits & Barriers			
Very important	Important	Somewhat Important	Not Important
What insights did you gain while discussing the benefits & barriers?			
Benefits		Barriers	

Use the table below to summarize and record the results of your calculations as well as the recommendations that emerged for the type of participation. Indicate which level of participation you selected after reviewing the Participation Matrix. Take note of any insights that emerged during your conversations.

Benefits	Total Score		
	Consultation	Partnership	Leadership
Barriers	Total Score		
	Consultation	Partnership	Leadership
Final Recommendation			
What insights did you gain during this process?			

Think about what you might do to enhance your participation strategy- can you decrease the barriers or increase the benefits? Finally, consider the key stakeholders for moving forward with the planning and implementation of your approach and how you will engage them. Take note of your ideas below.
